

Section 2. Protocol

The table below documents the history of the MTN-014 protocol along with Clarification Memos, Letter of Amendments, and Full Amendments. These documents are considered Essential Documents. A copy of each document should be available to staff and a copy should be maintained in your essential files.

Document	Date
MTN-014 Protocol, Version 1.0	17 October 2012
MTN-014 Protocol, Version 2.0	1 May 2013
Letter of Amendment #01	29 August 2013
Letter of Amendment #02	13 February 2014

Note: Clarification Memos and Letters of Amendment are incorporated into subsequent full versions of the protocol.

Further information on the content and required handling of protocol clarification memos, letters of amendment, and full amendments is available in Section 10.2 of the MTN Manual of Operations.
