Termination Form (TF)

Purpose: This form is used to record participants' date and reason for termination from the Wisebag Pilot Study.

General Information/Instructions: This form is completed at the end of study participation for every participant enrolled in the Wisebag Pilot Study.

Overall instructions:

Enter the PTID in the top left corner of every page of this form and initial and date the bottom right of the page. The date the form is completed should be filled in the top right corner.

Item-specific Instructions:

Item	Instruction
1	Record the date the participant terminated from the Wisebag Pilot Study. The termination date is the date that the participant completed her Exit visit. If a participant enrolled in the Wisebag Pilot Study but never completed the Exit visit, the termination date may be the date the participant refused further participation, withdrew, or the date the study team classified her as LTFU.
2	Record whether the participant completed the study.
3	Record the reason for termination from the Wisebag Pilot Study. If there was more than one reason, mark the main reason. If the reason is not specified, mark "other" and describe the reason in CAPITAL LETTERS on the specify line.
