

MTN-003C (VOICE-C) Operational Reminder CAB Pseudonyms

Use of pseudonyms for CAB members in VOICE-C

- ❖ Group 3 Community Advisory Board (CAB) members interviewed in Focus Group Discussions (FGDs) should retain the same pseudonym for any future FGDs they participate in. Because Group 3 members meet at multiple times and participants' attendance may overlap in different ways, a unique pseudonym should be selected by each member of Group 3.

Remember: A participant's pseudonym will be recorded on his or her DEM form if staff or the participant cannot remember what it was.
