

MTN-003D Stage 2 Wrap-up/Next Steps

Ariane van der Straten, PhD, MPH
Women's Global Health Imperative
RTI International
San Francisco, CA, USA

Next Steps

- Wait for IRB approvals
- Review recruitment lists and begin checking for PTC
- Plan for Thola's visit
 - Aim to schedule:
 - 2-4 IDIs [of varying drug classification levels and HIV status]
 - At least 2 FGDs
- Collect data!
