Group 2 Home Dosing Log

You will insert the contents of 1 applicator of study gel into your vagina as directed. Please bring this log with you to your next clinic visit on _____/_____/_____.

For each dose, please record the date and time you inserted the study gel.
- Please be sure to mark the “AM” or “PM” box for each recorded time
- If you did not insert a dose of study gel (i.e. a dose was missed), please mark the “I did not insert this dose of gel” box

Optional: Record any comments or notes about additional or missed dosing on the back of this page.

Note to study staff: Mark the “N/A” box for Dose 7 for the first two home dosing periods.
