Read the following statement to the participant before administering the eligibility worksheet:

“I am now going to ask you some questions about yourself. Some of these questions are personal and sensitive, but remember that we do not have your name on these papers. All of your answers will be kept confidential.”

To confirm eligibility for the study, ask the participant the following questions and mark her responses accordingly.

1. Are you currently exclusively breastfeeding one infant (and not more than one) and do you plan to continue exclusive breastfeeding of that infant for the duration of your study participation (about 4.5 months)?
   - Yes ☐
   - No ☐

2. Are you available for all visits and willing and able to comply with all study requirements?
   - Yes ☐
   - No ☐

3. If you were to join this research study, would you be willing to use an effective form of contraception by time of enrollment and for the duration of the study? Effective methods include contraceptive implants, intrauterine device, injectable progestin, oral contraceptive pills, and surgical sterilization.
   - Yes ☐
   - No ☐

4. During your and your infant’s study participation, do you plan to stay within the study clinic area and are you willing to give accurate locator information?
   - Yes ☐
   - No ☐

5. Are you willing to be assigned to either the pill or ring by chance (randomized) when you enroll in the study and continue to use that assigned product for at least 12 weeks?
   - Yes ☐
   - No ☐

6. Have you ever had an adverse or bad reaction to any of the study products (dapivirine or Truvada)?
   - Yes ☐
   - No ☐

7. Have you ever had an adverse or bad reaction to latex or polyurethane, what condoms are commonly made from?
   - Yes ☐
   - No ☐

8. Have you used post-exposure prophylaxis (PEP) for HIV prevention after possible HIV exposure in the last 6 months?
   - Yes ☐
   - No ☐

9. If you were to join this study, do you plan to use any vaginal medications or products within 5 days prior to the day you enroll, which will be within 35 days from today?
   - Yes ☐
   - No ☐

10. Have you used a needle to inject drugs that were not prescribed to you by a medical professional in the past 12 months?
    - Yes ☐
    - No ☐

11. Have you used any investigational drugs (i.e. drugs in a research study) during pregnancy, including as part of participation in the MTN-042/DELIVER study?
    - Yes ☐
    - No ☐

12. Have you in the past 30 days, or are you currently, participating in any other research studies involving drugs, medical devices, vaginal products or vaccines?
    - Yes ☐
    - No ☐

13. During participation in this study, do you plan to participate any other research studies involving drugs, medical devices, vaginal products or vaccines?
    - Yes ☐
    - No ☐

14. Is your infant currently participating in any other research studies involving drugs, medical devices, or vaccines or has your infant ever participated in research like this?
    - Yes ☐
    - No ☐

15. During participation in this study, do you expect your infant to participate any other research studies involving drugs, medical devices, or vaccines?
    - Yes ☐
    - No ☐

For the participant to be eligible, the responses to items 1-5 above must be “Yes” and the responses to items 6-15 above must be “No.”

*If the response to items 9, 10, 12 or 14 are “Yes,” assess likelihood of eligibility by Enrollment Visit and proceed accordingly.
